

Loddiswell Primary School Newsletter

Friday 21<sup>st</sup> June 2019

[www.loddiswellprimaryschool.co.uk](http://www.loddiswellprimaryschool.co.uk)

Dear Parents and Carers,

We are sorry that Sports Day has had to be re-arranged this week. The weather is proving to be a typical British summer this year! We hope you can come this afternoon at 1pm to watch all the fun games that we have planned. Our PTFA will be selling drinks and cakes throughout the afternoon.

### Bikeability

In September, Class 4 (current Year 4 & 5) will be able to participate in a Bikeability course. This is a great, fun way to learn how to get the most out of riding a bike and being safe on the roads. Your child must be able to ride a bike without stabilisers to take part. Letters will be coming home soon and will have to be returned before the end of term so we can provide the Bikeability organisers with final numbers.

### Year 5 & 6 Football

Yesterday afternoon, the sun shone on Stokenham Primary for the Year 5/6 football tournament. A total of 10 teams from across the Federation eagerly participated in the competition, with both boys and girls showcasing their talents.

The standard was sky-high and from the very first fixture, the crowd was treated to a feast of goals with intricate passing moves, solo dribbles and long range strikes.

The sides also displayed determination in defence, with a combination of impressive organisation and last-ditch tackling, thwarting many attacks.

As well as playing, the children also assisted with officiating allowing the event to run smoothly. The children were a credit to their schools, cheering on other players during the breaks between games. Teams from Stokenham and Kingsbridge locked horns in the final, with Kingsbridge edging a dramatic match to be crowned champions.

Really well done to all the players and a massive thank you to all the parents and carers who transported and supported.

## Eco Club

On Monday 17<sup>th</sup> June, we held a waste audit in the dinner hall with the help of Eco Council. When everyone had finished eating, they sorted the waste into plastic, cardboard and food. This exercise was to highlight the use of single-use plastics and non-recyclable waste so that we can all decrease our usage in the future, helping to educate everyone. On one single day, out of 50 lunch boxes, there were 192 pieces of non-recyclable waste!

## Grenville Residential Year 6

Letters came home to Year 6 on Wednesday with some final details of their residential trip next week.

1. Sweets - Please feel free to bring a small packet of sweets to go into the communal pot that we share amongst all the children during and after activities. Sweets are shared amongst all the children whether they contribute or not. Please **do not** bring chewing gum.
2. Pocket Money - We suggest **no more than £5** in a named purse/wallet. This money will be for the evenings when we go to the local ice-cream shop and to purchase souvenirs from Grenville House itself, such as pens, rulers, postcards etc.
3. Games - If you would like to take a small, non-electronic game to play during the evenings, please make sure it is named. A set of playing cards, chess/draughts, Top Trumps, small board game - anything like this is fine. Children will need to be responsible for looking after their own games.

Children need to be dropped at **Modbury Primary at 8.45am** on Monday morning. The coach is leaving at 9am. Remember to bring all your child's belongings ensuring everything is labelled. **Don't forget your packed lunch and drink for the first day.** Could children please have their costume, towel, shower gel and wet shoes in the top of their luggage as some have a wet activity on the first afternoon. It might also be a good idea if they bring a small reusable bag (not a carrier bag as it might not last the week) with these things in to carry to and from the changing room. If you have lost your kit list, there is a copy on our school website.

**Please bring Green Medicine Forms, should you need one and hand to the Class Teacher along with medication.** The children are being brought back to school on Friday and can be collected at **approx. 4pm from Modbury Primary.** We know the children will all have an unforgettable experience and we are looking forward to hearing all about it.

## Heatree Residential Year 5

We don't have full details yet of timings however, we wanted to let you know that your child will need to be taken to and collected from **Modbury Primary School**. We are sorry that this wasn't made clear in the original letters and hope it will not cause any inconvenience. We will get the final details of the trip to you as soon as we have them.

## School Lunch Money

We would like to remind you that all lunches must be paid for in advance and there should be no money owed on your child's dinner accounts. This is your responsibility to be checking your child's account. Please check every week that you are in credit if you want your child to receive a school lunch.

Yours sincerely,

Sue Jezard, Executive Head teacher

Louise Nicholls, Head of School

## The Week Ahead - New Menu - Week 2

Monday 24 <sup>th</sup> June	Year 6 residential to Grenville House. Please drop off children to Modbury Primary @ 8.45am Lunchtime choir. Cricket Club. 3.15 - 4.15pm. Colouring Club. 3.15 - 4.15pm.
