Dear Parents and Carers,

****Matty's Ice-cream stand will be open after school today****

Year 6 Induction Day at KCC

For our pupils going to KCC in September, their induction day will be on Monday 8th July. The children will need to be in school **promptly** dressed in full school uniform, as the coach is leaving at 9am. **If children are late into school it will then be the parent's responsibility to take them to KCC.** They will need to bring a pencil case to include pen, pencils, ruler and rubber and packed lunch or lunch money if your child wishes to attend the school canteen at break and lunch time. The coach will return the pupils to Loddiswell Primary in time for normal school end time.

Also on Monday 8th July, KCC are hosting a Year 6 Parents Evening between 5pm and 7pm. This information evening is aimed just for parents.

Turbo Cricket

Yesterday afternoon, children from Modbury, Loddiswell and Kingsbridge enjoyed the Turbo Cricket Festival on a scorching Modbury School field. The fun event involved a range of throwing, catching, batting and running skills along with communication and teamwork.

In hot conditions the players excelled, showing off great hand-eye co-ordination with a number of big boundaries hit and athletic catches being taken in the field.

What was also noticeable for the on-looking parents and carers, was the exemplary conduct of all the children, who encouraged each other with positive talk throughout the event.

Huge congratulations to all the participating Turbo Cricketers.

This was our last event for this academic year so we would like to take this opportunity to say a massive thank you to all of you who have given up your time to transport and support the children - the events would not be possible without you!

Year 5 residential

Ava wrote about the Year 5 residential at Heatree - 'It was great fun. We did orienteering (following maps) to find clues to build a raft and steer it across a pond. The stream scramble was cold but we did get to slide down a tube and land in a mini pond! Climbing and abseiling were the best activities. Abseiling was tricky; if you were confident enough, you could jump and do a 360 turn. At the end of the 3 days we were all very tired but had an awesome time.'

Loddiswell Show

Every year the children love to create something to enter into the annual Loddiswell Show, which is on Saturday 3rd August. This year's theme is 'nature and recycling' and we need some raw materials to help us with our creations. We would be very grateful for any donations of: cardboard egg boxes, shells, twigs, feathers, string, wool, buttons and bottle tops. Thank you.

Devon Ability Games

Yesterday, Miss Whiting and Mrs Clark accompanied 4 of our pupils, Lily, Sam, Jade and AJ, to MARJONS University in Plymouth to take part in the Devon Ability Games. They all had an amazing day at the event which was sponsored by Sport England. All 4 children took part in an archery competition in which they were awarded first place, then made their way round the hall trying out new sports such as New Age Kurling and Tai Chi. They were awarded medals at the end of the day and were given great t-shirts to take home.

Year 6 residential photos

Mr Fisher from Stokenham Primary is compiling a photo album stored on a memory stick from this year's Grenville residential. The pupils who went were given a permission letter and order form yesterday. We need a parent to sign this to give us permission so that your child's image can be used. There is also an opportunity to purchase a set of photos for £3.50. The permission slip and money have to be back in the office by Monday 8th July or we will have to assume your permission is not granted and your child's image will not appear in the photos. What a lovely reminder of your child's last residential with Loddiswell.

Clubs

Next week will be the final lunchtime and after school clubs for this year. Our teachers and TA's give up their own time to run these clubs and we do our best to make sure that all children get to participate but please bear in mind that numbers are sometimes limited. We will have a brand new set of clubs to choose from when we return in September. We would like to say a huge Thank You to Mrs Hudson who runs Music Club for us. She is taking a break next term, however she will continue to teach recorders on Thursday lunchtimes. Plymouth Argyle will be continuing in September for KS2 and we will give you all the details of how to sign up with them in the first week back.

Lost Property

Are you missing a remote control? A Bush remote for an HDMI was found in the playground after drop-off on Tuesday. Please ask in the office if you think it is yours.

Book Swap

We will be holding another book swap on Friday 12th July between 8.30am - 9am. Please remember to bring back the books you borrowed last time and any others you would like to donate. You can swap them for new books to read during the holidays!

Yours sincerely,

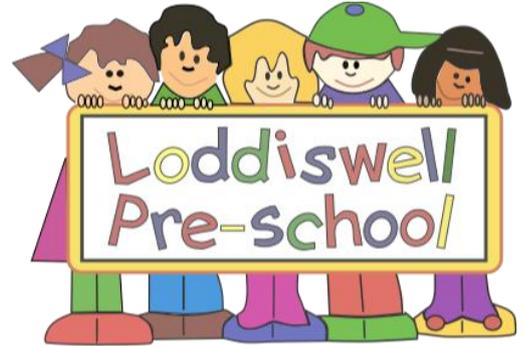

Sue Jezard, Executive Head teacher

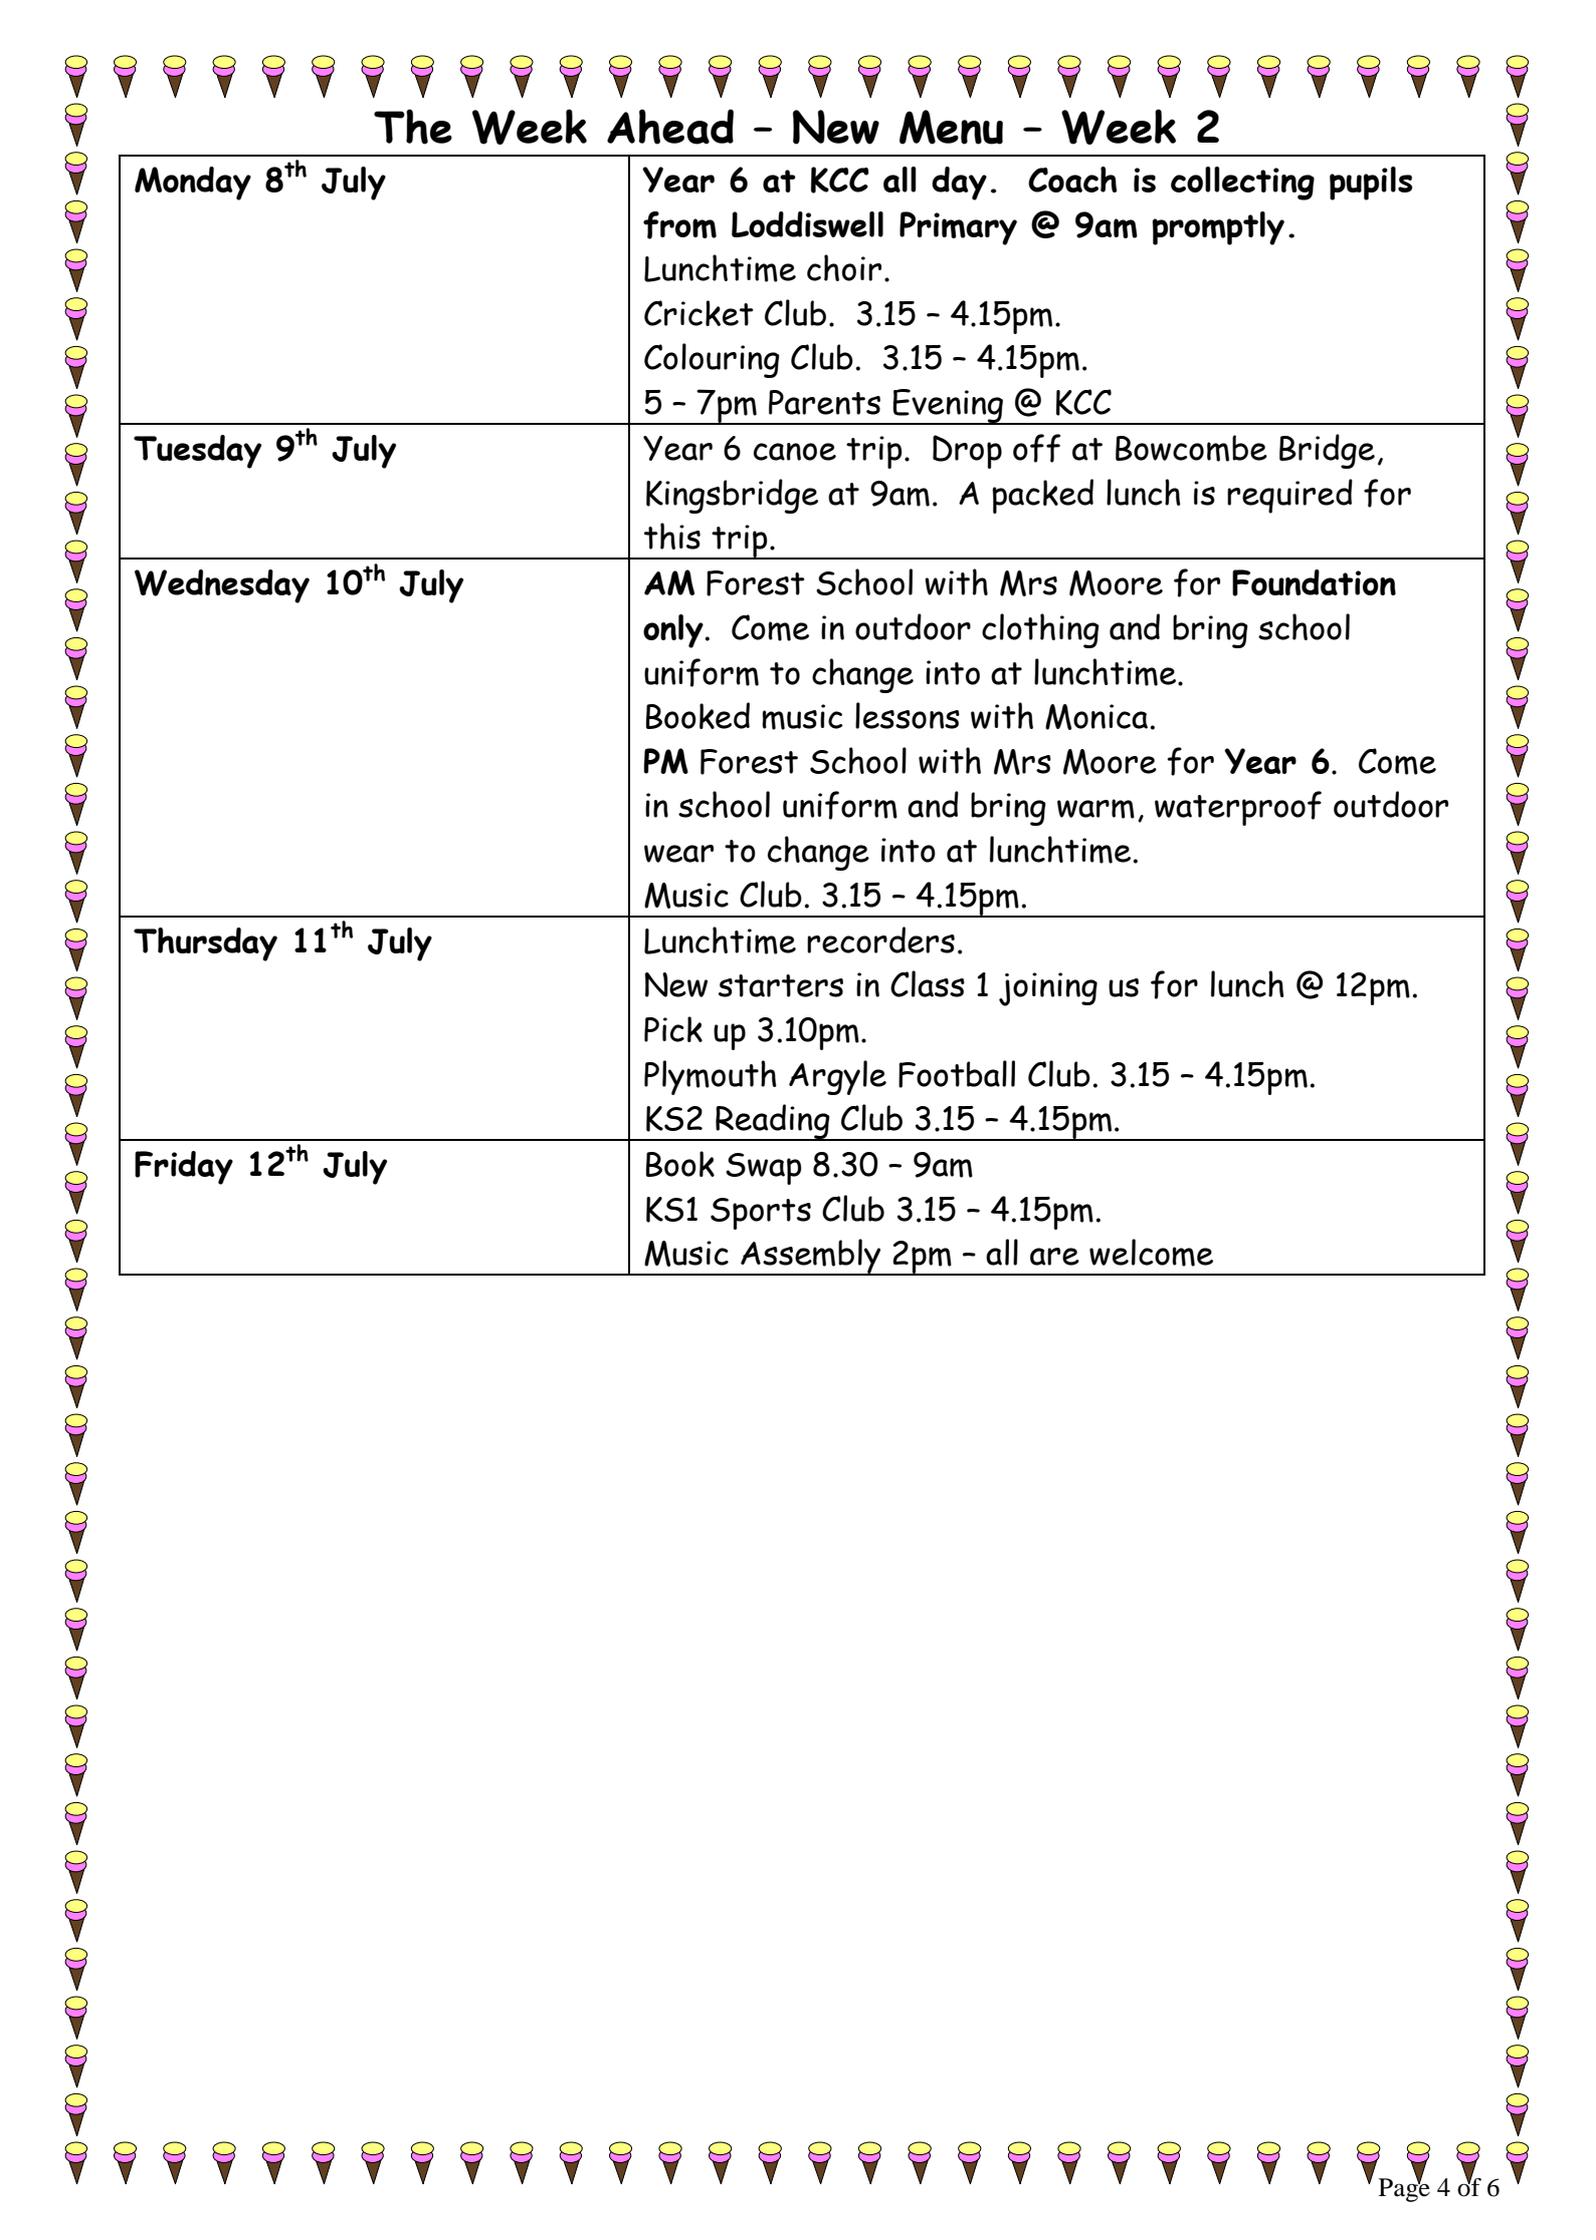

Louise Nicholls, Head of School

Loddiswell Pre-School

Next Thursday 11th July is the last session for the new starters before they come full time in September. The session will start at 12pm as they will be joining all the other children for lunch and playtime. If you haven't pre-ordered a school dinner, please remember to bring a packed lunch. We will also give the children their Loddiswell water bottles, so, along with their book bags they will be all ready for Tuesday September 3rd.

The Week Ahead - New Menu - Week 2

Monday 8th July	<p>Year 6 at KCC all day. Coach is collecting pupils from Loddiswell Primary @ 9am promptly.</p> <p>Lunchtime choir.</p> <p>Cricket Club. 3.15 - 4.15pm.</p> <p>Colouring Club. 3.15 - 4.15pm.</p> <p>5 - 7pm Parents Evening @ KCC</p>
