

**Loddiswell Primary School Curriculum Overview.**

**Class 5 Summer 2026**

*Together we value and inspire, achieve and believe which empowers us all to be the best we can be.*

<p style="text-align: center;"><b><u>English</u></b></p> <p>In English this term, we are looking at fairytales with the text Blackberry Blue. The children will be developing their creative writing skills, using description and a range of punctuation to write their own fairytale.</p> <p>In the final half term, we will be writing our own book of Lost Adventures and studying a play by Shakespeare.</p>	<p style="text-align: center;"><b><u>Maths</u></b></p> <p>Before SATs the Year 6s will be completing their unit on 3D shapes shape and algebra. After SATs, until the end of the year, we will be covering skills that the children are less confident in and will start looking at some trickier concepts ready for Year 7.</p>
<p style="text-align: center;"><b><u>History</u></b></p> <p>This term in history the children will be looking at the British Empire and its downfall. We will explore why Britain wanted to expand its empire and why countries fought back.</p>	<p style="text-align: center;"><b><u>Geography</u></b></p> <p>This term in geography, we will be completing a project on the local area. The children will create survey questions, hypothesis, will carry out the primary research and then present the data.</p>
<p style="text-align: center;"><b><u>Science</u></b></p> <p>In science this term we will first be looking at the human body in Biology before moving on to chemical reactions in Chemistry.</p>	<p style="text-align: center;"><b><u>Art/DT</u></b></p> <p>In art this half term, we will be exploring how artists use light, form and colour to create immersive environments.</p> <p>The children will be ending the year with a DT unit, focusing on food and making savoury snacks.</p>
<p style="text-align: center;"><b><u>French</u></b></p> <p>In French this term, the children will focus on a topic of School- learning how to talk about what they study and what they enjoy. We will then move on to Le Weekend, exploring how to talk about what we do at the weekends.</p>	<p style="text-align: center;"><b><u>Computing</u></b></p> <p>Our computing units for this term are 3D modelling and we will revisit our programming skills.</p>

<p style="text-align: center;"><b><u>PE/Physical Development</u></b></p> <p>In the run up to Sports Day we will be practicing our athletics skills.</p> <p>We will be learning the skills needed to play tennis in the final half term of the year.</p>	<p style="text-align: center;"><b><u>PSHE/Personal, Social and Emotional Development</u></b></p> <p>PSHE this term will focus on health and wellbeing. We will look at the importance of mental health, grief and the impact of being online.</p>
<p style="text-align: center;"><b><u>RE/Religious Education</u></b></p> <p>This half term our RE focus is What Kind of King was Jesus. We will look at the importance of parables, what kind of world Jesus wanted and how Christians act now to carry out Jesus' messages.</p>

**Home learning**

The children again will continue to have one to two pieces of home learning per week. We also would encourage daily reading for the children. Having an adult listen to the children read out loud will support the children enormously in their learning and asking the children questions that help deepen their understanding of the text will support their growth further.
